

# Project Acceleration Pompton Lakes High School & Seton Hall University

## Registration Directions—Fall 2023

### The registration process for Fall 2023 courses is as follows:

1. Complete the information form at <https://www.shu.edu/undergraduate-admissions/project-acceleration-application.cfm> . We did this together in class. The link will be available until 10/31/23.  
NOTE: Registration is not complete until tuition is paid.
2. Seton Hall University will email the student (in 3 to 5 days) with a link to complete the online registration and payment. This email will contain the students SHU ID number along with a link to pay the tuition. Please check your spam folder. If you do not receive the email, please contact Mrs. Kutzelman.

Tuition is \$110 per credit. Therefore, tuition for Anatomy & Physiology and Calculus is \$440, and all other courses are \$330. SHU suggests that you should complete this step on a desktop or laptop computer. Students experience issues with the portal when completing this step on their phone.

**You must complete this step before 11/13/2023.**
