Dear Parent/Guardian:

I hope this letter finds you and your family well. As we move towards the final quarter of the school year, I wanted to share that we will be making a change to our current in-person schedule. Beginning May 5, Wednesdays will no longer be virtual days for all students and instead be an in-person day and follow the current dismissal schedule. We are excited to provide this expansion of in-person learning and will continue to work towards providing a high-quality learning experience for all of our students. Each individual school principal will provide additional details as needed regarding this change.

We ask that you continue to follow the health and safety guidelines we have shared so that we may all enjoy a safe, healthy and enjoyable remainder of the school year.

Sincerely,

Paul Amoroso
Superintendent of Schools
