

Pompton Lakes School District

Meal Service Update (also emailed on 2/16/21 to district families)

Due to the possibility of another snowstorm on Thursday, 2/18, our district is changing its meal service distribution for this week. All district families who have signed up for meals can now pick up meals today, Wednesday, 2/17, at Lenox School between 12:00 PM - 12:30 PM. Families will receive meals for today and Thursday. There will be no meal service on Thursday, 2/18 due to the impending snowstorm.

Meal service will resume as previously scheduled for all students on Friday, 2/19/21. If this should change, you will receive a SchoolMessenger alert.
