

Book Selection Process for Grade 6-12

Presented to the Pompton Lakes Board of Education
February 1, 2022

The Process

Goals of the Selection Process

Passion

Cultivate a love of reading within students and increase readership

Windows

Introduce new windows into the world (different cultures, lifestyles, histories, experiences, etc. via literature)

Mirrors

Introduce different characters that different students can identify with, prompting self-reflection and empowerment

Goals of the Selection Process

Challenge

Introduce challenging texts (just difficult enough) to encourage students to grow their analytical ability and reading level

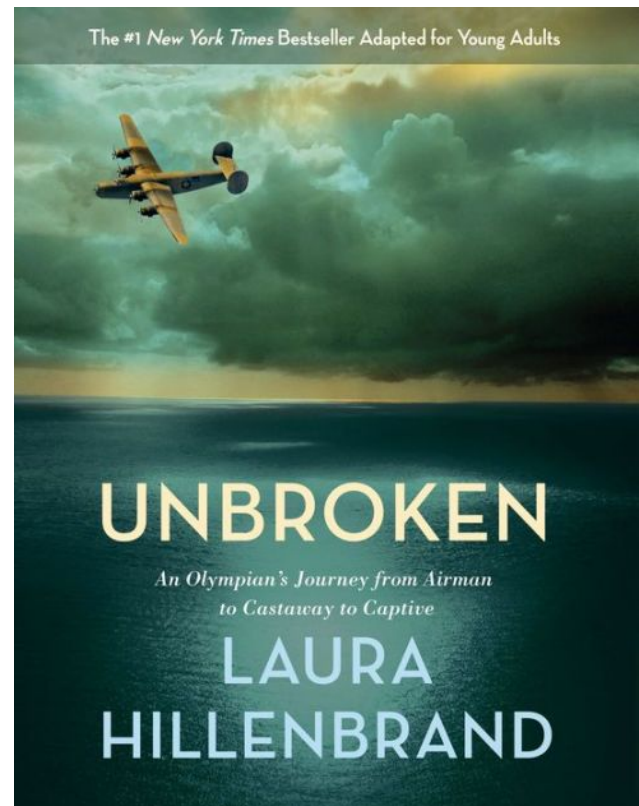

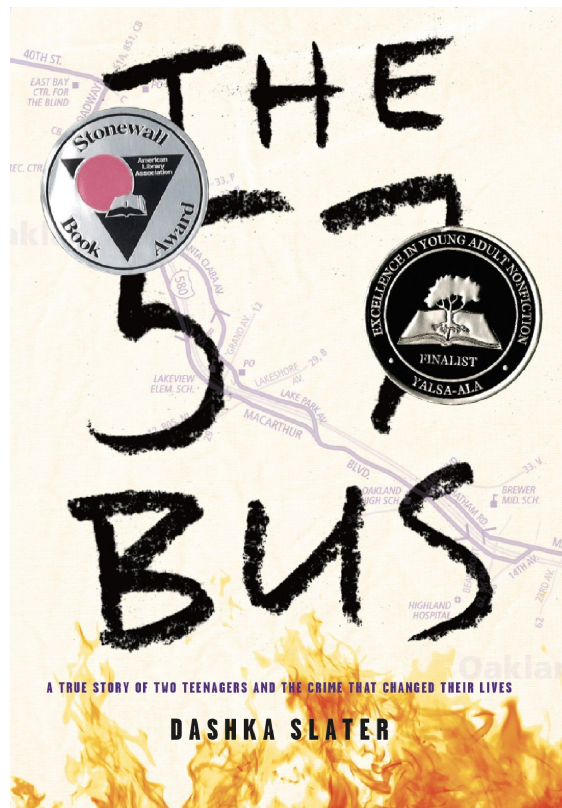

Critical

Develop a discerning eye and critical understanding of the world.

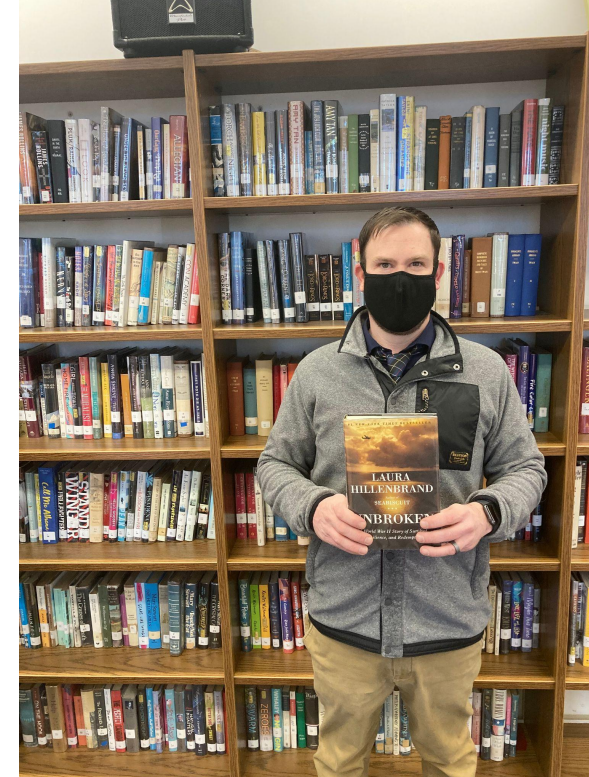

Literacy

Develop literacy through exposure to classic and contemporary texts.
