You must download the LearningAlly Audiobook Manager and also LearningAlly Read/Hear for the program to access and read books. Download the Learning Ally Audiobook Manager from the online Bookshelf and Read/Hear from Accounts.
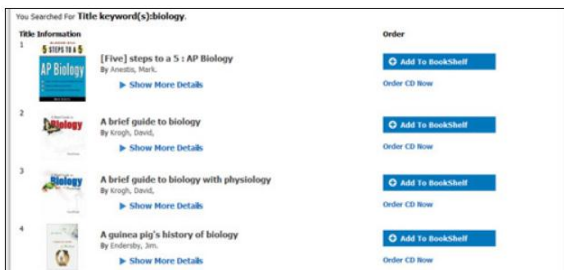

Step 1: Search for books:

1. **Log in to your Learning Ally online account.**

2. Go to the **Book Catalog.**

3. Search for your book by title, author, or ISBN number (for a more detailed search, click "**Advanced Search**").

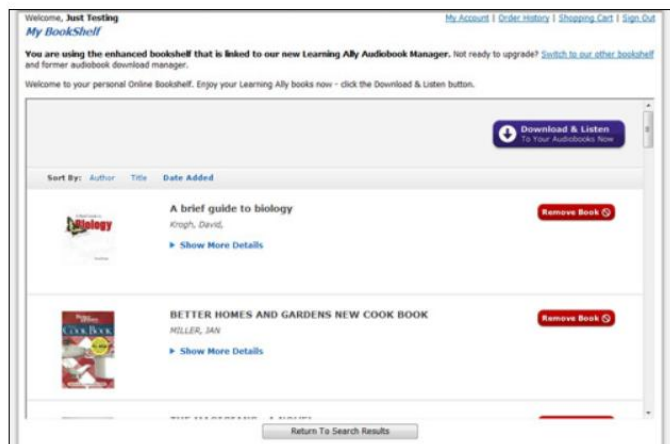

Step 2: Order books:

Once you have located your book in the book catalog:

» Click the "**Add to Bookshelf**" button to order **downloadable books.**

Your selected title will be ordered or added to your BookShelf.

Classic Bookshelf

When using the classic bookshelf, you will need to select your desired format from the drop down box. If you choose a CD it will be shipped out to you, if you choose a download it will appear on your "**My Downloads**" page.
