IMPORTANT TESTING & SCHEDULING INFORMATION

Dear PLHS Parents and Guardians:

The State of New Jersey requires that all public high schools administer the New Jersey Student Learning Assessments (NJSLA) in English language arts, mathematics, and science. (The NJSLA in English language arts and mathematics replace the former PARCC assessments in those content areas.)

On May 2-3, 2019, Pompton Lakes High School (PLHS) will administer the NJSLA in English language arts; on May 20-21, 2018, PLHS will administer the NJSLA in mathematics; and on May 30-31, PLHS will administer the NJSLA in science. PLHS will administer the assessments according to the attached NJSLA Administration Plan. In the event of a school closing or delayed opening on a day of testing, the test schedule would be shifted back a day; testing would resume where it had left off.

Thanks to your assistance and support, PLHS has enjoyed nearly a 100% attendance rate for the annual state assessments and our students have continuously garnered proficiency rates that exceed state and national averages. Please know that we greatly appreciate your care and interest in our success on these and all other standardized assessments.

Sincerely yours,

Vincent S. Przybylinski, Jr., Ed.D.
