

FY24 Elementary and Secondary Education Act (ESEA) Stakeholders Needs Assessment Survey

Posted May 23, 2023

The Pompton Lakes School District is conducting a stakeholder survey ([CLICK HERE TO COMPLETE](#)) for families in Lakeside, Lenox and Lincoln schools to provide input for its FY24 ESEA programming and budgetary planning (July 1, 2023-June 30, 2024). Your feedback as a district and /or community stakeholder is highly valued in assisting the district to identify priority areas of need. The district considers the survey findings along with various data points of student achievement and staff professional programming to develop an effective overall plan for the federal funding entitlement allocation.

President Obama signed the Every Student Succeeds Act (ESSA) into law on December 10, 2015. This legislation reauthorized the more than 50-year-old Elementary and Secondary Education Act (ESEA), the nation's national education law and longstanding commitment to equal opportunity for all students.

The reauthorization builds on key areas of progress in recent years, made possible by the efforts of educators, parents, students, and community members across the country.

Thank you for completing the survey. If you have any questions, please reach out to Jayne Tanis, Director of Curriculum, Testing and Instruction, jtanis@plps.org
