Principal's Message

October was a great month at Lakeside! The health and safety of the staff and students continues to be our number one priority. Additionally, learning and instruction continues to be impressive for both the in-person and virtual learners. A big thank you to our student council, Mrs. Moyle and Mrs. Gavin for organizing a Pink Out Day to benefit the Susan. G. Komen Breast Cancer Foundation. The students raised over \$460!!! Thank you to all who participated and donated. A reminder that the first marking period will end on November 11th. Please encourage your child to finish the marking period strong. Lakeside school will once again recognize excellent academic performance with our Honor Roll and Significant Improvement Roll.

PTA Information

The PTA will be holding a Krispy Kreme Fundraiser that will benefit the 8th grade. The fundraiser begins November 16th and ends November 30th. Pick up date is TBD, but is planned for Mid-December. Forms will be distributed both by paper and email. If you should need another copy, please contact the main office. The next PTA meeting will be held on Nov. 18th at 7pm via zoom- <https://us04web.zoom.us/j/79755260096?pwd=eWxSU0xKelZFQW1KRmVuRnlaUHMOU09>. Also, please remember to submit your membership forms! The PTA link is on our school website.

Google Classroom Invite

All Lakeside parents were sent an invitation to join the Google Classroom pages as a guardian. This will enable parents to see announcements and assignments that were given for each class. Additionally, it will allow school staff the opportunity to send progress reports via email. Please accept the invitation that was emailed to you so that we can provide detailed information about grades.

“Meet” the Lakeside Teachers

As you are all aware, Lakeside School was unable to hold our regular back to school night this year. Please use the link below to access a webpage that was created to provide parents with an opportunity to “see” and “meet” each teacher. The short videos include the curriculum which will be covered in each class, the grading policy and important contact information. Of course, as you know our staff is a phone call or email away and we encourage an open line of communication!

Band/ Chorus Update at Lakeside

Mr. Stier has begun to hold outdoor individual lessons. Additionally, he has held both 6th and 7th/8th grade band practices. Further, Mrs. Brantner has begun to hold virtual chorus practices with the students. It is great to see that our music program can thrive in this environment and it continues to be a source of pride for Lakeside School. Hopefully, at some point, we will be able to plan and enjoy a concert!
