*Yom Kippur - School Closed*

### Wednesday, Sept. 30th

*No In Person Instruction-  
Virtual B Day for All  
Students*

5/6,7,8,9

## SCHOOL REOPENING

A big thank you to our staff and students who made the school reopening an overwhelming success. It was great to connect with both our in-person and virtual learners. The health and safety of our students and staff continues to be the number one priority at Lakeside. Thanks again for a great opening! The below picture shows the students lining up for the morning screening and temperature check.

**WELCOME  
BACK. WE MISSED  
YOU!**

## **Please welcome the following new staff members:**

Mr. Andrew Howell, Vice Principal

Ms. Amanda Daly, 6th Grade Mathematics and Special Education

Mrs. Brianne Ahlborn, Reading and Special Education

*Welcome to the Lakeside Family!*

## **PowerSchool Important Information**

The Parent Portal feature on PowerSchool has opened. Please note, for the Middle School, PowerSchool is reflecting the regular schedule and not the cohort or virtual schedule that we are currently following in the school reopening plan. This means the period order and teachers may be different from their current schedule. It is necessary to keep the original master schedule in the case that we eventually return to the regular schedule. I am currently devising a plan to post grades while learning in cohorts and virtually. We hope to keep grades current on the Google Classroom Page and update grades to Power School on a bi-weekly basis. Again, I will keep you updated with this information.

## **Opening of School Student Paperwork**

A reminder that students should hand in the Emergency Card, Student Update Form and if applicable the Free and Reduced Lunch application. In addition, PTA forms are attached to this email. Virtual learners can drop the forms in the basket located outside of the main office doors.

## **PTA Message**

Welcome all students, parents and staff! We hope that your summer was relaxing. Our goal this year is to have 100% membership. We look forward to meeting you and invite you to attend our first meeting on September 16th at 7p.m. The meeting will be held via Zoom. The link will be shared with you prior to the meeting.

## **Back To School Night**

We are in the process of planning a virtual back to school night for both our in person and virtual parents. Once we have finalized the details, I will be share information about the night. We are planning to have the Back to School Night in mid-October.

## **Screening Checklist**

A reminder that parents of in-person students should ensure that they are completing the screening checklist with their child prior to sending them to school each morning. The screening checklist has been sent in previous emails. Please contact the office if you need another copy to be sent.

## **Student Picture Day**

Student picture day has been postponed. It is my hope that we are able to have pictures taken later in the Fall as these pictures are used for important publications such as the Yearbook. Again, once a date is established I will share the information with you.
